

## Quick Guide to Edmodo: High School

10th Grade Class Profile

5 Periods | 150 Students Total | Computer Lab

### Preparing for My Edmodo Classroom

As teachers, we know that preparation is key. Before my students ever create accounts, I prepare for a successful year with Edmodo by:

Signing up for a Teacher Account and creating my Teacher Profile

Preparing an informative Parent Letter, and reviewing the Safety Best Practices

Creating a group for each of my class periods

### First Days of Edmodo

I start by teaching students about online responsibility with a Digital Citizenship lesson and pass out a Digital Code of Conduct.

I give them their class' Group Code, and help students create a Student Account in the computer lab. If students miss the sign up day, I give them the Student Sign Up Guide to help them sign up from home.

Once all students have joined my group, I then teach students the basics of communicating within their Edmodo group by making posts, replying, and sending me messages.

## Running My Classroom

From literature discussions to final exams, I use Edmodo to manage all the activities that take place in my classroom:

- Assign work using [Assignments](#), and even [annotate](#) students' essays
- Deliver assessments in class using [Quizzes](#)
- Gather students' opinions before a lesson with [Polls](#)
- Store my syllabus, videos, and other files in my [Library and Folders](#)
- Share progress with students and parents through the [Gradebook](#)
- Organize study groups and group projects by creating [Small Groups](#)

These [success stories](#) highlight how other high school teachers have successfully utilized Edmodo.

## Parent Engagement

Edmodo is essential to keeping my students' parents informed and engaged. During back to school night, I pass out [Parent Codes](#), demonstrate [how to create a Parent Account](#), and pass out the [Parent Sign Up Guide](#). I also show them [what they can see on a Parent Account](#) and how to set up [text notifications](#).

Then, I can [Alert](#) them of project due dates, [share documents](#) with them, and more.

## Power of the Teacher Network

The [Communities](#) and [Discover](#) tool have helped me connect with other High School teachers across the globe, opening my eyes to new ideas and resources. I've also joined [Teacher Groups](#) such as [High School English](#) and [21st Century Educators](#) to collaborate with other similar teachers, and even created my own Teacher Group for other teachers in my district!

## Interactive Apps

My students love learning through the various multimedia tools available in [Edmodo Apps](#). Using the App Toolbar to discover new educational apps has really increased my students' engagement and learning. Some of my favorites include [Gamestar Mechanic](#), [Speakado](#) (Foreign Language Apps) and [Pixton Comic Maker](#), but there is something to be found for every classroom in the Edmodo Store.

Learn about other high school teachers who have found [success with Apps](#) on Edmodo.

"Edmodo allows me to bridge the communication gaps that sometimes prevent students from getting answers they need, while offering creative ways to deliver the curriculum."

- Robert Belprez

# Quick Guide to Edmodo: High School

10th Grade Class Profile

5 Periods | 150 Students Total | Computer Lab

The screenshot displays the Edmodo interface for a 10th-grade class. At the top, there is a navigation bar with a search bar and user profile information. The main content area is divided into several sections:

- Header:** Includes a search bar with the text "Search posts, groups, users, apps and more..." and a user profile for "Me".
- Left Sidebar:**
  - Groups:** Lists several groups including "Seniors Elective: Personal Finance", "P7: Honors Algebra II", "Algebra Planning Prep - Team Meeting", "P4: Honors Algebra", "P3: Honors Algebra II", and "P1: Algebra".
  - Communities:** Lists communities such as "Support", "College Readiness" (2 members), "Computer Technology" (20 members), and "Math" (9 members).
- Main Content Area:**
  - Note Section:** A section for creating a note with a text input field and options for Note, Alert, Assignment, Quiz, and Poll.
  - Latest Posts:** A list of recent posts from Ms. Gallegos:
    - Post 1:** "Me to Algebra Planning Prep - Team Meeting" with the text "Will not make it to Planning Prep today. Doing a unit review with my 9th graders on their lunch break!" and a timestamp of "11 hours ago".
    - Post 2:** "Me to P3: Honors Algebra II, P4: Honors Algebra, P7: Honors Algebra II" with the text "For Review: Assess your Mastery" and a "Turned in (1)" button. It includes a due date of "Due Sep 30, 2013" and instructions to use the DigiWhiz app.
    - Post 3:** "Me to Seniors Elective: Personal Finance" with the text "Morning Medley: Please check the progress of your stocks this morning and record yesterday's close." and a link to a Yahoo! Finance article.
  - Edmodo to Me:** A welcome message from the Edmodo Team, dated "Yesterday", encouraging users to set up their classroom.
- Right Sidebar:** Contains a calendar showing the date "30" and a "DigiWhiz" app icon.
